

NEWFOUNDLAND AND LABRADOR MOTORCYCLE AND POWERSPORT ECONOMIC IMPACT

The use of motorcycles and off-highway vehicles not only encourages Newfoundlanders and Labradorians to enjoy the province's network of roads and trails, but to serve as a key form of transportation for daily use, generate critical tourism activity and contribute to Newfoundland and Labrador's overall economic output.

**Off-highway vehicles include motocross, dirt and adventure motorcycles, all-terrain vehicles (ATVs), and side-by-sides. Source by MNP LLP.
